

Kavan Shah

Objective

Hello! I'm Kavan, a high school student at Notre Dame Catholic Secondary School, aiming to pursue medicine. I'm a bright, avid junior, eager to learn and offer what I can.

Education

Unionville High School
OSSD

Markham, ON
September 2022 - June 2023

Notre Dame Catholic Secondary School
OSSD

Ajax, ON
September 2023 - Present

Experience

Astitva Hospital

Orthopedic Surgeon Shadowing

Surat, Gujarat
July 2024 - August 2025

- I observed the pre- and post-operative procedures of many orthopedic surgeries, including tibia-fibula reconstruction, shoulder arthroscopy, and cyst removal.
- Engaged in pre-operative routines, learning the importance of sanitation, patient preparation, and managing surgical equipment.
- Collaborated with the surgeon, learning about surgical planning, bone alignment techniques, and the use of orthopedic plating and K-wires.

Astitva Hospital

General Medicine Practitioner Shadowing

Surat, Gujarat
July 2024 - August 2025

- Shadowed a general practitioner, observing patient care processes from vital sign assessments to medication prescriptions for a wide variety of conditions.
- Opened up to diagnostic procedures, including the use of stethoscopes for respiratory checks, and the use of sonography and lab tests for further diagnosis.
- Learned about the management process of an extremely high-volume clinic, including patient evaluations, treatment planning, and follow-ups.

Dumaswala Hospital

Cardiologist Shadowing

Surat, Gujarat
July 2024 - August 2025

- Observed patient consultation, including diagnostic reports for the heart and general health.
- I gained practical experience by witnessing procedures like ECGs, and I familiarized myself with blood pressure monitoring for diagnosis.
- I learned how a cardiologist handles a vast variety of patient needs and manages multiple non-cardiac conditions.

Pathology Office

Pathologist Shadowing

Surat, Gujarat
August 2024

- Observed diagnostic procedures in microbiology, including microscopy, blood sampling, and CBC analysis, gaining insight into disease identification and laboratory operations.

Boxgrove Events

Co-host

Markham, ON
May 2024 - July 2024

- Initiated and co-hosted a cleanup event in our community. Boxgrove, Markham.
- Gathered 35+ (45 including parents) members of our community to make the place cleaner.
- Collected nearly 70 lbs of trash from parks, roads, streets, and schools, altogether.

Polygence

Research

Menlo Park, California
February 2024 - April 2024

- Mentored on the basics of oncology and research.

- I analyzed several academic studies on non-small cell lung cancer and immunotherapy.
- Studied clinical trial results to understand current medicine and its impact.
- Published a review research paper on NSCLC and immunotherapy in the Research Archive on Rising Scholars (RARS).

Royal Canadian Air Cadets

Sergeant - Level 5

Markham, ON
August 2021 - March 2025

- Instructed cadets on marching, drill, and theoretical topics.
- Learned introductory aviation content, including aerodynamics, and meteorology.
- Awarded Level 3 Top Cadet and 2023 Best Drill Commander for the Annual Drill Competition.
- Exposed to leadership opportunities regularly.

Health Science Club

Member

Ajax, ON
September 2023 - Present

- Active member, participating in medical workshops, health-related activities, and healthcare-related discussions.

Volunteer Experience

Dr. Hemant Shirali Private Orthopedic Clinic

Number of Hours: 150

Markham, ON
June 2023 - August 2023

Summer Volunteer

- Assisted with administrative tasks and performed clinical duties.
- Worked efficiently in a fast-paced environment.
- Developed strong communication skills to interact with various types of patients.
